Say Hi to Kris Laine!! With an extremely diverse Real Estate background, Kris has shown that having the knowledge base in both Commercial and Residential Real Estate can be lots of fun! After spending 20 years in Commercial Real Estate in Los Angeles, she has now embraced the residential real estate market here in Fort Collins. Kris and her family - husband Steve and kids - Matthew, Katherine and Olivia - relocated to Fort Collins in 2006. She spent the first several years focusing her energy on family and juggling her 3 very busy kids. During that time, she also volunteered on several committees and held a Board of Directors position (serving 2 – 3 years terms) for a local organization. In
